You are steering a vehicle and want to make a phone call while driving. Are you allowed to do it? (5 Punkte) (Nr. 2075)

- ☐ F No, never
☒ R Yes, when I use hands-free equipment
☐ F Yes, only when I hold the phone in my hand and dial the number
☐ F Yes, when I turn on the speaker and hold the phone in my hand

You are driving a vehicle and making a phone call without hands-free equipment. What consequences can you expect? (3 Punkte) (Nr. 2186)

- ☒ R A fine
☒ R Further training as long as I am on the probation period
☐ F My phone is taken away
☐ F I am not allowed to continue driving

Änderungen GW+A+B (Nr. 2187)

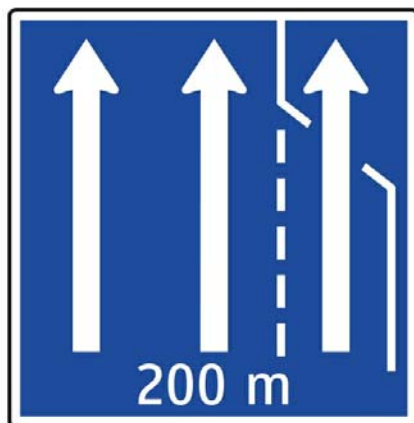

What is indicated on this traffic sign? (1 Punkt) (Nr. 2187) (Grundwissen)

- ☒ R That the hard shoulders of a motorway may be used, if the lane control signal for the hard shoulder shows a green arrow
☐ F That the hard shoulder of a motorway may be used in any case
☐ F A slow lane for lorries
☐ F A lane in the area of a construction site

You drive on a released hard shoulder of a motorway. Are you allowed to turn left onto the nearest lane of the motorway? (1 Punkt) (Nr. 2192)

- ☒ R Yes, if it is possible without causing danger
☐ F No, as long as the hard shoulder is separated by a stop line from the nearest lane of the motorway
☐ F No, I have to continue driving on the hard shoulder until it ends
☐ F No, in no way

Änderungen GW+A+B (Nr. 2193)

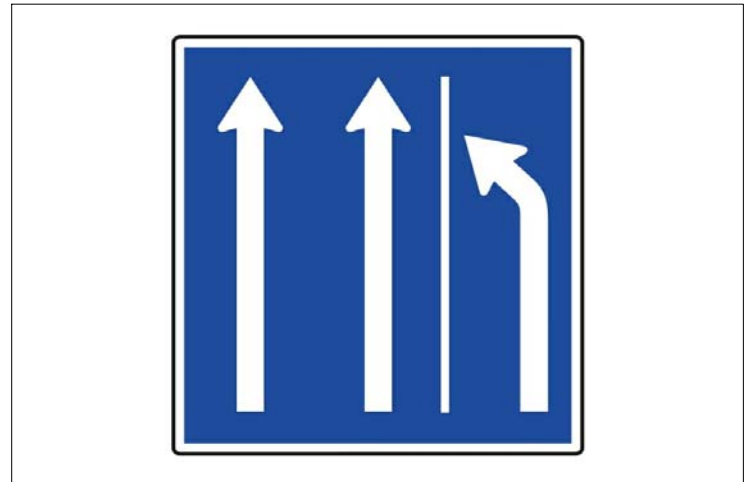

What is indicated on this traffic sign? (1 Punkt) (Nr. 2193) (Grundwissen)

- ☒ R That after the end of the acceleration lane, the hard shoulder may be used if the lane signal for the hard shoulder shows a green arrow
☐ F That the hard shoulder of this motorway may be used in any case
☐ F The beginning of a slow-down lane
☐ F A lane in the area of a construction site

You drive on a released hard shoulder of a motorway. Are you allowed to turn left onto the nearest lane of the motorway? (1 Punkt) (Nr. 2194)

- ☒ R Yes, if it is possible without causing danger
☐ F Yes, but only as long as the hard shoulder is separated from the nearest lane of the motorway by a lane marking
☐ F No, I have to continue driving on the hard shoulder until it ends
☐ F No, in no way

Änderungen GW+A+B (Nr. 2195)

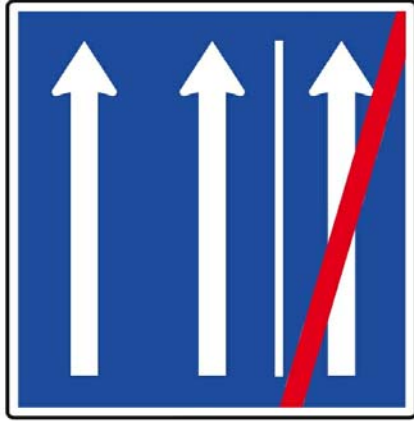

What is indicated on this traffic sign? (1 Punkt) (Nr. 2195) (Grundwissen)

- ☒ R That the release of the hard shoulder of a motorway ends
☐ F That the release of the puncture strip of a motorway begins
☐ F The end of an acceleration lane
☐ F The end of a slow lane for lorries

You drive on a released hard shoulder of a motorway. How do you behave when you see this traffic sign? (1 Punkt) (Nr. 2322)

- ☒ R I change to the nearest lane of the motorway if it is possible without causing danger
☐ F I change immediately to the nearest lane of the motorway
☒ R I pay attention to the display of the lane control system for the hard shoulder
☐ F I continue driving on the hard shoulder until it ends

Änderungen GW+A+B (Nr. 2330)

What is indicated on this traffic sign? (1 Punkt) (Nr. 2330) (Grundwissen)

- ☒ R That driving on the hard shoulder is only allowed in exceptional cases
- ☐ F That the hard shoulder of a highway ends
- ☐ F The end of an acceleration lane
- ☐ F The end of a slow-down lane

You drive on a motorway and see this traffic sign. The indicator on the lane strip signal indicates a red "X". When may you still use the hard shoulder? (1 Punkt) (Nr. 2450)

- ☒ R If I have to stop because of a sudden technical defect
- ☒ R I am allowed to drive there to form a emergency lane
- ☒ R If I have to stop because I suddenly got sick
- ☒ R I am allowed to accelerate there, so I can get in lane in the flowing traffic after a breakdown

Änderungen GW+A+B (Nr. 2451)

You drive a multi-lane motor vehicle. Are you allowed to drive on an emergency lane? (3 Punkte) (Nr. 2451) (Grundwissen)

- ☒ R No
- ☐ F Yes, as long as I do not interfere with emergency vehicles
- ☐ F Yes, in any case
- ☐ F Yes, if I can not align myself on the lane to the left of my vehicle

What consequences do you have to expect if you drive on an emergency lane with a multi-lane motor vehicle? (2 Punkte) (Nr. 2452)

- ☒ R With a written warning and a fine
- ☐ F I will definitely be summoned to an official medical examination
- ☐ F I will definitely be asked to retrain
- ☐ F I am requested to attend a first aid course

Änderungen GW+A+B (Nr. 2453)

You drive a single-track motor vehicle. Are you allowed to drive on an emergency lane? (3 Punkte) (Nr. 2453) (Klasse A)

- ☒ R No
- ☐ F Yes, but only as long as I do not interfere with an emergency vehicle
- ☐ F Yes, in any case
- ☐ F Yes, but only if I can not drive on the hard shoulder

What consequences do you have to expect if you illegally drive a single-lane motor vehicle on an emergency lane? (2 Punkte) (Nr. 2460)

- ☒ R A fine
- ☒ R A marking, if I thereby hinder an emergency vehicle
- ☐ F I will definitely be requested to retrain
- ☐ F I will be requested to attend a first aid course

Änderungen GW+A+B (Nr. 2461)

Anwohnerparken
4./5. Bezirk
lt. Amtsblatt Wien 41/2018

Are you allowed to park your vehicle after these traffic signs? (1 Punkt) (Nr. 2461) (Grundwissen)

- ☒ R Yes, if an official authorization sticker is attached to the vehicle
- ☒ R Yes, if I have a statement for people with disabilities
- ☒ R Yes, if my vehicle belongs to the exceptions mentioned in the official journal of Vienna No 41/2018
- ☐ F Yes, as long as I live or work in Vienna

Where can you find out if your vehicle belongs to the exceptions listed on the additional board? (1 Punkt) (Nr. 2472)

- ☒ R On the Internet
- ☒ R At the city of Vienna
- ☒ R At the Economic Chamber
- ☒ R At automobile associations

Änderungen GW+A+B (Nr. 2473)

What does this sign indicate? (3 Punkte) (Nr. 2473) (Grundwissen)

- ☒ R The average speed of all vehicles is measured on the section after the sign
- ☒ R If my average speed is higher than the permissible maximum speed, I will get fined
- ☐ F Measurement whether I am keeping the right distance to vehicles ahead
- ☒ R Control whether number plates of cars are on the wanted list

How do you know what maximum average speed you must observe after this road sign? (2 Punkte) (Nr. 2474)

- ☒ R By road signs posted before this section
- ☐ F By radio traffic announcements
- ☐ F By a sign on the camera
- ☐ F Always 130 km/h are allowed

Änderungen GW+A+B (Nr. 2475)

You approach this intersection at about 20 km/h and want to turn right. Do you have to give priority to vehicles coming from the opposite direction or do you have the right of way? (3 Punkte) (Nr. 2475) (Klasse B)

- ☒ R I have to wait for the cyclist on the multipurpose lane
- ☐ F I have the right of way over the cyclist because the multipurpose lane ends here
- ☐ F I have the right of way over the cyclist because I turn right
- ☐ F I have the right of way over the cyclist because no cyclist crossing is marked

You want to turn right at this intersection. How do you behave? (2 Punkte) (Nr. 2476)

- ☒ R I approach braking, looking in the right rearview mirror and over the right shoulder
- ☒ R I turn on the right turn signal and pay attention to the behavior of the cyclist
- ☒ R I will not make a turn if I thereby hinder the cyclist
- ☐ F I turn on the right turn signal as early as possible, so that the cyclist has enough time to slow down

Änderungen GW+A+B (Nr. 15)

In this situation, you are driving on a motorway at around 110 km/h. What dangers are to be expected? (1 Punkt) (Nr. 15) (Grundwissen)

- ☒ R Strong lateral displacement would be expected in the presence of cross wind
- ☒ R A dangerous cross wind may force the vehicle to veer off the road
- ☒ R A dangerous cross wind is highly likely 250 to 400 m ahead
- ☐ F The noise barrier wall enhances the risk of cross wind

You are driving on this motorway at 110 km/h. How would you conduct yourself here? (1 Punkt) (Nr. 16)

- ☒ R Reduce speed in case of cross wind
- ☒ R Hold the steering wheel with both hands
- ☐ F Change to the middle lane
- ☒ R Watch for movements of trees and shrubs

Änderungen GW+A+B (Nr. 69)

What do the orange road markings indicate? (1 Punkt) (Nr. 69) (Grundwissen)

- ☒ R Temporary markings during construction
- ☒ R Replacement for white markings during construction
- ☐ F Particularly hazardous section ahead
- ☐ F Only applicable to vehicles with a width of more than 2 m

Why would it be sensible to use the right lane if possible? (1 Punkt) (Nr. 70)

- ☒ R Because of the inside lane rule
- ☒ R Because this lane is wider than the one on the left
- ☐ F Because traffic tends to be less dense there
- ☐ F Because visibility of the roadside tends to be better there

Änderungen GW+A+B (Nr. 109)

How would you conduct yourself in this situation? (3 Punkte) (Nr. 109) (Grundwissen)

- ☒ R I would not overtake the cyclist
- ☐ F I would overtake the cyclist with a small lateral distance
- ☒ R I would maintain a sufficient safety distance behind the cyclist
- ☐ F I would overtake with a lateral distance of at least 1.5 m

Why are you not allowed to overtake here? (2 Punkte) (Nr. 110)

- ☒ R Because I can not keep required lateral distance
- ☐ F Because visibility is insufficient for overtaking
- ☒ R Because the principle of confidence does not apply to this cyclist
- ☒ R The cyclist could fall

Änderungen GW+A+B (Nr. 182)

You are driving in a multi-track vehicle here. Which lane would you take? (1 Punkt) (Nr. 182) (Grundwissen)

- ☒ R To the right of the grooves, without passing the line
- ☐ F To the left of the grooves
- ☐ F Between the grooves
- ☐ F In the grooves

What particular dangers must you watch out for while switching lanes? (1 Punkt) (Nr. 183)

- ☒ R Risk of skidding due to slippery road markings
- ☐ F Bad visibility
- ☒ R Risk of skidding when crossing the grooves
- ☐ F Longer braking distance

Änderungen GW+A+B (Nr. 303)

Your vehicle is equipped with a petrol or diesel engine. How would you conduct yourself here? (1 Punkt) (Nr. 303) (Grundwissen)

- ☒ R Avoid extended braking
- ☐ F Drive in neutral to save on fuel
- ☒ R Drive in the gear where the engine braking power is sufficient
- ☐ F Drive with the lowest rpm possible

When is the engine braking power sufficient while going downhill? (1 Punkt) (Nr. 304)

- ☐ F If the vehicle slows down rapidly without braking
- ☒ R If your speed remains approximately the same without braking
- ☐ F If the engine does not get too hot
- ☐ F If I must constantly have to brake lightly

Änderungen GW+A+B (Nr. 548)

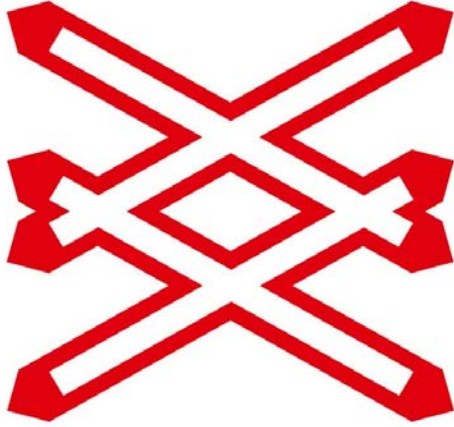

Are you permitted to overtake the motorcyclist, if he/she is travelling at 30 km/h? (3 Punkte) (Nr. 548) (Grundwissen)

- ☒ R No, because I could not finish overtaking before the level crossings
- ☐ F Yes, if the lateral distance is sufficient
- ☐ F Yes, since it involves a single-track vehicle
- ☐ F Yes, but only if the motorcyclist signals with his hand

Are you permitted to overtake the motorcyclist after the level crossings? (2 Punkte) (Nr. 549)

- ☐ F Yes, but only 80 m after the level crossings
- ☒ R Yes, immediately after the level crossings
- ☒ R Yes, if I do not exceed the speed limit
- ☐ F No, since the level crossings is in a town

Änderungen GW+A+B (Nr. 838)

What does this road sign mean for you? (5 Punkte) (Nr. 838) (Grundwissen)

- ☐ F I am 80 m away from a level crossing
- ☐ F I must stop in any case
- ☒ R I am immediately before a level crossing
- ☐ F The level crossing is closed

You see this road sign. What does it indicate? (3 Punkte) (Nr. 839)

- ☐ F Level crossing with a single set of tracks
- ☐ F Particularly wide level crossings
- ☒ R A multi-track level crossing
- ☐ F A monitored level crossing

Änderungen GW+A+B (Nr. 1018)

You are approaching this level crossing. How do you conduct yourself? (1 Punkt) (Nr. 1018) (Grundwissen)

- ☒ R I pay attention to the rotating warning signal (vortex wheel)
- ☐ F I must stop in any case
- ☐ F I must only stop if the gates are closed
- ☒ R Even if the gates are open, I must check whether a train is approaching

What does it mean when the rotating warning signal (Löffelrad) starts to rotate? (1 Punkt) (Nr. 1019)

- ☒ R The barriers are going to be closed soon
- ☐ F I may carry on
- ☐ F The barrier system is defective
- ☒ R I must stop before the level crossing

Änderungen GW+A+B (Nr. 1024)

You want to cross this level crossing. Describe the situation! (5 Punkte) (Nr. 1024) (Grundwissen)

- ☒ R Visibility is poor due to the heavy fog
- ☐ F I am approaching a town
- ☒ R A speed limit of 40 km/h applies
- ☒ R There are additional road marks to facilitate recognition of the level crossings

You want to cross this level crossing. How do you conduct yourself in this situation? (3 Punkte) (Nr. 1025)

- ☒ R In any case, I stop in front of the St. Andrew's Cross and make sure that no train is approaching
- ☒ R I pay particular attention to train headlights and acoustic signals
- ☐ F I approach at walking pace, and drive on if I cannot see a train
- ☐ F I only stop if the railway staff is giving corresponding signals

Änderungen GW+A+B (Nr. 1028)

The train is moving from right to left. How do you respond? (3 Punkte) (Nr. 1028) (Grundwissen)

- ☒ R I stop before the level crossing
- ☐ F I evade to the right and cross the level crossing immediately after the train
- ☐ F I turn left and cross the level crossing just in front of the train
- ☐ F I definitely have to turn back

The train goes from right to left. When may you cross the level crossing? (2 Punkte) (Nr. 1029)

- ☒ R Once the train has left the level crossing
- ☒ R Once I made sure that no more trains are coming
- ☐ F Once there is enough space to pass after the last wagon
- ☒ R Once I made sure that the train does not go back

Änderungen GW+A+B (Nr. 1064)

Are you permitted to stop or park on the right side of the roadway here? (1 Punkt) (Nr. 1064) (Grundwissen)

- ☒ R I may stop on the rail tracks during the operating hours of the tram outside of the tram stop area if I remain in the vehicle
- ☒ R I may collect or drop off passengers in the area of 15 m before or after the tram stop sign swiftly
- ☐ F Stopping and parking prohibited
- ☐ F I may stop on the rail tracks during the operating hours of the tram if I remain near the vehicle

Are you permitted to park after the tram stop at the right side of the road? (1 Punkt) (Nr. 1065)

- ☐ F Yes, outside of the operating hours for this tram
- ☐ F No, never
- ☒ R Yes, but only if my vehicle does not obstruct the rail tracks
- ☐ F Yes, but only if there is no space at the left side of the road

Änderungen GW+A+B (Nr. 1070)

You want to cross this level crossing. How do you behave? (5 Punkte) (Nr. 1070) (Grundwissen)

- ☒ R I will stop and continue only when I have made sure by watching and listening that no train approaches and I can completely leave the level crossing.
- ☒ R I will stop. I carry on once I do not obstruct drivers on the crossing road
- ☐ F I only stop if visibility of the rail tracks to the left or right is limited
- ☐ F I only stop if the train is already very close

You want to cross the level crossings. Where do you stop? (3 Punkte) (Nr. 1071)

- ☒ R In any case before the diagonal cross
- ☐ F In any case before the crossing street
- ☐ F 3 m before the crossing street. If necessary, I stop again at the crossing street
- ☐ F 1 m before the tracks

Änderungen GW+A+B (Nr. 1336)

If you drink one litre of beer in one hour, could this impair your ability to drive? (5 Punkte) (Nr. 1336) (Grundwissen)

- ☒ R Yes, my abilities of concentration and perception will deteriorate
- ☐ F No
- ☐ F Yes, but only for persons not used to alcohol
- ☒ R Yes, an impairment may even arise after drinking just 1/2 liter of beer

You have consumed a 1/4 litre of wine quickly, and you are feeling the effect of the alcohol. How do you conduct yourself? (3 Punkte) (Nr. 1339)

- ☒ R I do not operate any vehicle
- ☐ F I drink some strong coffee before starting the vehicle
- ☐ F I borrow a bicycle and ride it to my destination
- ☐ F I drive my vehicle to the destination. As long as I am below the legal limit, I may drive in any case

Änderungen GW+A+B (Nr. 1360)

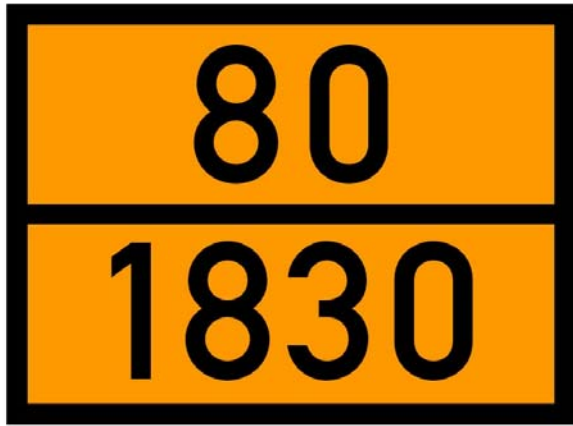

What vehicles may use this road? (1 Punkt) (Nr. 1360) (Grundwissen)

- ☒ R Motor vehicles capable and permitted to exceed a speed of 60 km/h
- ☐ F With all motor vehicles
- ☐ F Only with multi-track motor vehicles permitted to exceed a speed of 60 km/h
- ☐ F Only with multi-track motor vehicles and motorcycles

How fast are you permitted to drive on this road? (1 Punkt) (Nr. 1361)

- ☒ R At full visual range, but in principle 130 km/h, at most
- ☒ R I must adapt my speed to the prevailing road, traffic, and visibility conditions
- ☐ F At full visual range, with a maximum of 100 km/h
- ☒ R At full visual range, but 140 km/h at most, if traffic signs allow it

Änderungen GW+A+B (Nr. 1975)

You arrive at the site of an accident with a vehicle displaying this warning sign. What should you particularly consider in this situation? (1 Punkt) (Nr. 1975) (Grundwissen)

- ☒ R The recovery of the victims of the accident may only be carried out by specially equipped experts
- ☒ R In the emergency call, I will indicate the figures on the warning board
- ☐ F I only approach the vehicle against the direction of the wind
- ☐ F I will attempt to collect any leaking fluids

You arrive at the site of an accident with a vehicle displaying this warning sign. What safeguarding measures are particularly important? (1 Punkt) (Nr. 1976)

- ☒ R The immediate danger area (about 60 m) should not be entered
- ☒ R When safeguarding the scene of the accident, an exceptionally large area, about 100-200 m, should be encompassed
- ☒ R I am to warn other persons in case they fail to notice that a vehicle transporting hazardous material is involved in the accident
- ☐ F I take the same safeguarding measures as for any other accident

Änderungen GW+A+B (Nr. 100)

You are driving at about 80 km/h. What are the dangers in this situation? (1 Punkt) (Nr. 100) (Grundwissen)

- ☐ F There is an acute danger of aquaplaning
- ☒ R The breaking distance is longer than with dry roadways
- ☐ F Danger of skidding in the left curve
- ☐ F The drive wheels may slip

You are driving at about 80 km/h. How would you conduct yourself here? (1 Punkt) (Nr. 101)

- ☒ R I would maintain a safety distance of at least 3 seconds
- ☐ F I would maintain a safety distance of not more than 2 seconds
- ☐ F I would drive at half visual range
- ☒ R I would activate low beam or fog lights or both

Änderungen GW+A+B (Nr. 692)

You drive here with 130 km/h. The car in front of you changes at about 100 km/h on the middle lane to overtake a car on the first lane. Are you allowed to overtake here as well? (3 Punkte) (Nr. 692) (Grundwissen)

- ☒ R Yes, I may overtake the blue automobile on the third lane
- ☐ F Yes, but I must overtake the automobile on the first lane
- ☐ F Yes, I may overtake the blue automobile on the right
- ☐ F No

Why are you permitted to overtake the two automobiles ahead? (2 Punkte) (Nr. 693)

- ☐ F Because that is always permitted provided there is sufficient space
- ☐ F Because I am travelling in a column of traffic
- ☒ R Because there are three lanes in my direction on this motorway
- ☐ F Because I may choose my lane freely here

Änderungen GW+A+B (Nr. 716)

How would you conduct yourself here? (1 Punkt) (Nr. 716) (Grundwissen)

- ☐ F I would change into the left lane
- ☐ F I would reduce my speed and be prepared to brake at the pedestrian crossings
- ☒ R I would watch the pedestrian crossings closely
- ☐ F I would stop immediately

Why would you reduce your speed here? (1 Punkt) (Nr. 717)

- ☒ R Because I am approaching a pedestrian crossings with limited visibility
- ☒ R Because there is a bad visibility curve immediately after the pedestrian crossings
- ☐ F Because I must generally only pass the pedestrian crossings at walking pace
- ☐ F Because a vehicle on the left side of the road may be leaving their parking space

Änderungen GW+A+B (Nr. 1010)

What do these red flashing lights mean for you, in principle? (5 Punkte) (Nr. 1010) (Grundwissen)

- ☒ R That I have to stop in front of the level crossing
- ☐ F That I can cross the level crossing in any case, if I do not notice a train coming
- ☐ F That the barrier system is defective
- ☒ R That the barriers will close soon

You approach at about 60 km / h. The red lights are starting to flash right now. How do you behave? (3 Punkte) (Nr. 1011)

- ☒ R I cross the level crossing quickly because I am no longer able to stop. Otherwise, there is a risk that I come to a standstill on the rails
- ☐ F I brake immediately and try to stop in front of the level crossing
- ☐ F As long as no red continuous light flashes, I may cross the level crossing in any case
- ☐ F As long as the barriers are open, I am allowed to cross the level crossing in any case

Änderungen GW+A+B (Nr. 1014)

You wish to cross the level crossing. How do you conduct yourself? (5 Punkte) (Nr. 1014) (Grundwissen)

- ☒ R I stop in any case. After checking by looking and listening that no train is approaching, I drive on
- ☐ F I coast along at walking pace. If no train is visible, I cross the level crossing as swiftly as possible
- ☐ F I stop only when I see a train
- ☐ F I stop only when I hear a train

Where will you stop here? (3 Punkte) (Nr. 1015)

- ☒ R At the stop line
- ☐ F At the height of the first rail
- ☐ F At the point where sufficient insight is given onto the railway tracks
- ☐ F Around half a metre before the tracks

Änderungen GW+A+B (Nr. 1016)

You wish to cross this railway crossing. How will you conduct yourself? (3 Punkte) (Nr. 1016) (Grundwissen)

- ☒ R I watch the traffic lights to see if they switch
- ☒ R I advance to the railway crossing slowly so that I can stop if a rail vehicle approaches
- ☒ R I observe the tracks to see whether a train is approaching
- ☒ R I pay attention if a signal bell rings

How do you conduct yourself if you discover that a train is approaching? (2 Punkte) (Nr. 1017)

- ☒ R I stop
- ☐ F I cross the level crossing, in any case
- ☐ F I stop. If the train also stops, I drive on
- ☐ F I proceed, provided that no light signal is active

Änderungen GW+A+B (Nr. 1022)

You want to cross this level crossing. What do you have to pay attention to? (3 Punkte) (Nr. 1022) (Grundwissen)

- ☒ R The signal alarm bell
- ☐ F Oncoming traffic
- ☒ R Whether the gates are closing
- ☒ R Whether a train is approaching

What does it basically mean when the signal bell rings? (2 Punkte) (Nr. 1023)

- ☒ R The barriers are going to be closed shortly
- ☐ F I may drive on if I cannot hear or see a train
- ☐ F The barrier system is defective
- ☒ R I must stop before the crossing

Änderungen GW+A+B (Nr. 1407)

You want to travel with an 11 year old child on the front seat of an automobile. What do you have to consider? (3 Punkte) (Nr. 1407) (Klasse B)

- ☒ R If the child is less than 135 cm tall, I secure him/her with a suitable child restraint system
- ☒ R If the child is more than 135 cm tall, I ensure that he/she uses the seatbelt correctly
- ☐ F I ensure that the airbag is switched off
- ☐ F I must ensure that the child is wearing high-visibility clothing

Why are you permitted to transport a child less than 135 cm tall only with an adjusted child restraint system? (2 Punkte) (Nr. 1651)

- ☒ R Because the child may suffer very serious injuries at the neck when using an adult seat belt
- ☐ F Because the child would be too strongly restrained by an adult seat belt
- ☐ F Because the child may suffer very serious injuries to the feet
- ☒ R Because the child may suffer very serious injuries to the abdomen when using an adult seat belt

Änderungen GW+A+B (Nr. 1464)

You are approaching a gated level crossing. The gates are stopped in this position. How do you conduct yourself? (5 Punkte) (Nr. 1464) (Grundwissen)

- ☐ F I stop and drive on if I do not hear or see a train
- ☐ F If there is no red light, I carry on without stopping
- ☐ F I stop and wait to see whether a train is approaching
- ☒ R I am not allowed to cross this level crossing. Therefore, I search for another route to my destination

You approach this level crossing. The barriers stand like this without moving. Why are you not allowed to cross this level crossing? (3 Punkte) (Nr. 1465)

- ☒ R Because the gate position is not normal
- ☒ R Because I must assume that the gate system is defective
- ☒ R Because the railroad company may not be aware of the defect, and has not implemented securing measures
- ☐ F Because I always have to stop when a traffic light system shows no light

Änderungen GW+A+B (Nr. 1468)

You have stopped in front of a level crossing. The gates are beginning to open. How do you conduct yourself? (5 Punkte) (Nr. 1468) (Grundwissen)

- ☒ R I drive on once there is no light signal and the gates are completely open
- ☐ F I drive on once there is no risk of my vehicle damaging the gates
- ☐ F I drive on once the yellow light comes on
- ☐ F I drive on once the gates are completely open, even if the red light is still on

You have stopped in front of a level crossing. The gates are beginning to open. Why do you have to wait until the gates are open and no light signal is showing? (3 Punkte) (Nr. 1469)

- ☒ R Because the gates may close again immediately
- ☒ R Because I have to expect a fine
- ☐ F Because a yellow signal may come on again immediately
- ☐ F Because there is a danger of hindering the oncoming lorry

Änderungen GW+A+B (Nr. 1470)

Are you allowed to stop here? (1 Punkt) (Nr. 1470) (Grundwissen)

- ☒ R Not in the zone between the diagonal crosses
- ☒ R Yes, immediately ahead of and after the railroad crossing, if the view of the safety installations and approaching trains is not obstructed
- ☐ F No, never
- ☐ F Only outside of the area with road markings

Are you permitted to turn around here? (1 Punkt) (Nr. 1471)

- ☒ R Not in the zone between the diagonal crosses
- ☒ R Yes, immediately ahead of and after the railroad crossing, if the view of the safety installations and approaching trains is not obstructed
- ☐ F No, never
- ☐ F No, not 80 m ahead or after the level crossing

Änderungen GW+A+B (Nr. 1563)

Your automobile has broken down at this spot. How do you conduct yourself? (3 Punkte) (Nr. 1563) (Klasse B)

- ☒ R I must turn on the hazard lights
- ☒ R I must put up the warning triangle
- ☒ R I must ensure that the broken down automobile is removed as quickly as possible
- ☒ R I must put on a high-visibility jacket when leaving the vehicle

Your automobile has broken down at this spot. How far behind the vehicle must you place the warning triangle? (2 Punkte) (Nr. 1564)

- ☒ R At a distance that allows rapidly approaching following traffic to stop
- ☐ F 25 to 50 m behind my automobile
- ☐ F 50 to 100 m in front of my automobile
- ☐ F At a distance that allows rapidly approaching oncoming traffic to stop

Änderungen GW+A+B (Nr. 1649)

Up to what passenger age are you responsible for ensuring that they use seat belts or child restraint system? (3 Punkte) (Nr. 1649) (Klasse B)

- ☐ F 8 years
- ☒ R 14 years
- ☐ F 10 years
- ☐ F 12 years

Under what conditions may a child below the age of 14 be transported in the front passenger seat? (2 Punkte) (Nr. 1650)

- ☒ R If he/she is taller than 135 cm, and uses the seat belt
- ☒ R If he/she is shorter than 135 cm, appropriate child restraint systems must be used
- ☐ F If the seat is equipped with an airbag
- ☐ F If there is no second row of seats

Änderungen GW+A+B (Nr. 1647)
